Did you know that WIHS (We’re In His Service) was the pioneer in Christian radio broadcasting in Connecticut? The station first went on the air in October of 1969, and has maintained the same mission and ownership for 50 years—over 18,000 consecutive days!

Today, WIHS is the largest locally-owned, locally-operated Christian media organization in the State, with its own facilities and a staff of 22 full- and part-time employees based in Middletown.

As part of our 50th Anniversary celebration, we’ve published a souvenir 147-page book, *Call of Service*, which chronicles the fascinating and inspirational history of WIHS. Authors Susanna, Julianna, and Lydia Bennett have loaded the book with pictures and memories of past and present staff members. You’ll learn how WIHS got started, and be encouraged as you get a glimpse of how the Lord helped the founders to overcome seven years of struggle before the station went on the air.

We do not inventory hard copy books at the radio station. Instead, our local Christian book publisher, Media 14:36, specializes in “print on demand.” As online orders are received, books are promptly digitally printed and shipped. **Just visit www.Media1436.com, follow the instructions, pay online, and your books will be on the way soon!**
