On Air Studio renovations are nearly complete!

We are now putting the finishing touches in the On Air Studio, and we anticipate switching operations from the adjacent Production Studio #1 back to this main room in June. Then, we'll begin renovating Production Studios #1 and #2. We thank all donors who have contributed to this much-needed upgrade. If you would like to make a special project donation, please contact the station today at 860.346.1049.

First-ever Book Bag Benefit was a Success.

In May, WIHS organized its first "Book Bag Benefit." Listeners from across Connecticut--including the towns of Simsbury, Branford, Windsor, New Britain, West Haven, Windsor Locks and Bristol--participated. We distributed a lot of Christian books, music CDs, program CDs and gifts. It was a great time!

Please pray for our Leadership!

"To whom much is given, much is expected." Throughout the coronavirus pandemic, the Connecticut Radio Fellowship Board of Directors has met via online Zoom meetings. Now that vaccinations are increasing, the coronavirus is subsiding, and the State of Connecticut is re-opening, we will be conducting an in-person Board meeting on Saturday morning, June 12. Please pray for our leadership team--for divine vision, wisdom, favor and protection as we seek to share the good news of Jesus Christ across Connecticut and beyond.

Free Resources Available to Churches

Vision New England, a six-state network of Christian churches and ministries founded in 1887, is launching "Thriving Congregations," a free church consulting and training initiative funded by a \$1 million Lilly Endowment Grant. The initiative addresses two common questions: "How can our church thrive?" and "How can our church reach an uninterested community with the gospel of Jesus Christ?"

Thriving Congregations is a multi-year, multi-faceted initiative offering churches experts, processes, tools and resources at no cost. For more information, please call Vision New England at 617.229.6225 or email info@visionnewengland.org. There will also be an informational Zoom meeting to describe this initiative on Saturday, June 5 at 11 am ET. [Click here](#) to register!

Some Encouraging Testimonies from Listeners

--"I came across WIHS in November of 2004 and gave my life to Christ while traveling in a car to radiation treatments for breast cancer, and have not turned off the radio station since. My husband and I have found a wonderful Christian Church and community. I no longer listen to secular radio."

--"Thank you very much for sending me the window decal and bumper sticker. I use them to help share the Good News of Jesus Christ. I first became familiar with WIHS by seeing the red and blue bumper sticker on numerous other cars."

--"I discovered your station one morning as I prayed to be more God-focused, and a car passed me with the WIHS bumper sticker, so I am requesting a bumper sticker to be mailed to me, and maybe I will have the same impact on someone else's life."
