If it were not for WIHS, I would not be a Christian now. I started listening to WIHS when I was seeking answers and found them in the ministry and preaching of the various programs. The programs you play make the Word come alive as it should. **2½ years ago I surrendered to Christ listening...** Thank you for your faithfulness to Jesus Christ and His Gospel. --EMAIL Listener

Last night at our Thanksgiving family gathering **my wife's sister-in-law shared with us how she came to faith in Christ through the WIHS Good News bumper sticker we display on our car.** She told us that a few years ago, she parked behind us and saw the sticker, and said to herself: "This must be a good radio station if they are listening to it." She started listening to *Running to Win* and other programs, and little by little, she came to trust Jesus as her personal Savior! --EAST HARTFORD

...One night I was flipping through the channels on the radio on my way to work and found your radio station. Praise God! **I believe I listened to Chuck Swindoll and Unshackled, and boy did it bring back a flood of memories. I was hooked, my wife was hooked, and I finally felt the Call of the Lord and asked Him to come into my life – all thanks to your radio broadcast programs!** God Bless You!! --BELCHERTOWN, MA

I'd like to thank you once again for all you do to make your radio station possible. I've always listened to the station as much as I could, but **recently my husband, who was unsaved, started listening. You were a large part of his conversion.** He now serves the Lord Jesus along side of me. He's a perfect example of "never give up praying for someone." We've been married for 30 years and for 25 of those years, I've prayed for his salvation. PRAYER WORKS!! God bless you all!! --GUILFORD

I called WIHS for some information and ended up talking to a very helpful and pleasant office staff member who helped me find my current church where my teenage daughter and myself have received Jesus as Lord and Savior into our lives! Thank you WIHS for all, and I mean all you do to touch our lives with the glorious word of our Lord! --WETHERSFIELD

I got saved by listening to Unshacked on WIHS in 2005. I love *Running to Win* with Dr. Erwin Lutzer. --HARTFORD

Last year, I was saved listening to WIHS radio. When I heard the message of Jesus Christ, I turned my life over to Jesus Christ. Jesus is number one in my life, my life was empty before I came to Christ. He died for my sins and carried them to the cross when I died. I listen to Christian music and do Bible Study every day. I love all the programs and the Christian music on **WIHS**. My dial stays on 104.9 twenty-four hours a day. --MIDDLETOWN

I'm a long-time listener...I started listening to WIHS in the mid to late 80's. I was radio surfing and came upon Unshackled and listened. I put it as one of my favorites in my radio. I've for a long time felt the Holy Spirit tugging at my heart and Jesus knocking. **WIHS has brought me to Christ when I accepted Him and let go of trying to do my own thing and let Him take the wheel.** I have my radio and stream all of my drive time and work time. I love all of your programs and your announcers...Now I feel I've some part in planting seeds in others. To God I give the Glory. Thank You all for your lights in an ever increasing darkened world. May God continue to Bless and guide you. --WINDSOR LOCKS

I wanted to let you know that I found your station some months ago from a **bumper sticker** on someone's car. --VERNON

I've been a listener for about 32 years...I share "**Invitation to Listen**" cards and other materials from the station to encourage others! --NEW HAVEN

Please send **window decals** so that I may witness for you and all that you do in our area and for Christ. --MIDDLEFIELD

Thank you very much for sending me the **window decal and bumper sticker**...I use them to help share the Good News of Jesus Christ...**I first became familiar with WIHS by seeing the red and blue bumper sticker on numerous other cars.** --HEBRON

Four years ago before becoming a Christian, I came across a **bumper sticker that said "Good News WIHS 104.9FM."** I thought, "impossible, what news station shares good news these days, and in this country's age!" **Well, out of curiosity I tuned in & found truly good news – the news of Jesus Christ!** --MANCHESTER

I proudly display my **WIHS Bumper sticker** on my green Chevy tracker around Wallingford / Meriden, in hope someone will be encouraged or tune in for the first time. --WALLINGFORD

A bumper sticker & the invitation to listen cards would be nice to have. That way I can help to spread the Gospel of Jesus Christ...Someone told me about you now it's my turn to keep telling others so send the bumper sticker and cards! --FAIRFIELD

One of my neighbors stopped by this morning (I just met her) **and the WIHS pen that I was given became a witnessing tool.** --COLUMBIA

I learned about WIHS from a bumper sticker, while driving in my car. I immediately tuned my car radio to 104.9FM, and was blessed. That was sometime around 1989. --SOUTH GLASTONBURY
