"Spectrum of Sound" is a new weekly segment that we introduced last year, featuring several styles of music that you probably won't hear on WIHS at any other time: the 1st and 3rd Saturdays of the month feature Gospel music with host Gerry Williams; the 2nd and 4th Saturdays of the month feature Southern Gospel music with host Jack Pike. If there is a 5th Saturday, we feature

Praise & Worship music. Spectrum of Sound airs on Saturdays from 4:05 - 5:00 pm. Click the above image for a link to Spectrum of Sound on the "WIHS 1049" YouTube Channel!

Don't miss the all-new "WIHS Ministry Roundtable," a bi-weekly video podcast and radio program during which we meet in-studio with local ministry leaders for an extended roundtable-style conversation to discuss spiritual and practical topics that are both meaningful and engaging, from a Biblical perspective. The video podcasts are available on the WIHS YouTube Channel, and the on-air editions can be heard Saturdays at 3:15 am, 12:15 pm, and 5:10 pm. It's the all new WIHS Ministry Roundtable, right here at your station for 24/7 hope and encouragement.

BREAD OF LIFE

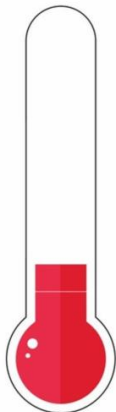

WIHS recently recorded the 1,000th "Bread of Life" message! Our guest pastor in the studio for this recording was John Hanson with Acts II Ministries. The segment will likely air on May 27.

Shortly after WIHS went on the air in October of 1969, the leadership decided to invite pastors to record a weekly series of four-minute devotional messages. Thanks to all who have prayerfully prepared and presented these Bible-based devotions!

Please Partner with WIHS!

GOAL

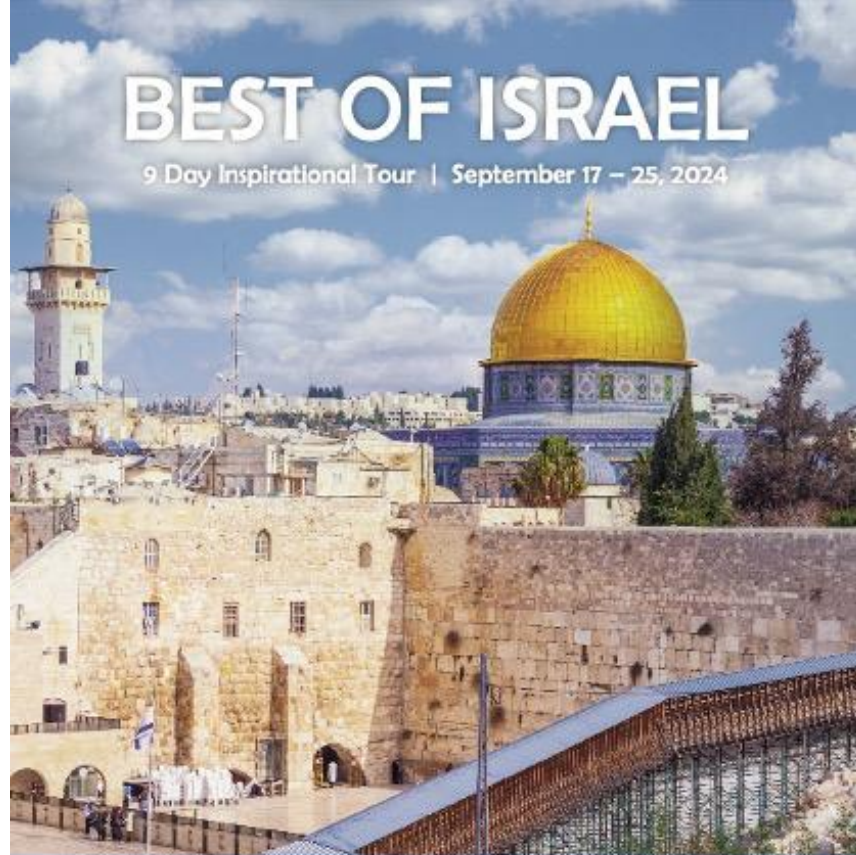

We had an excellent Faith Sharing on April 4-5! Thanks to all who participated and volunteered! This year's operating budget is \$785,000. Thus far, listeners have made commitments to cover about 26% of this budget. If the Holy Spirit nudges you to partner with us financially, for the furtherance of the gospel and the edification of the saints--especially in Connecticut--please [visit our website](#) today!

Later this year, we'll be enhancing our Planned Giving and Legacy Giving initiatives. If you are interested in helping and/or partnering with us, please call the station office weekdays between 8 am and 5 pm at 860.346.1049.
